

Parental consultation April 2019

We are reviewing our Early Years Provision at Appletree Nursery School to ensure that we offer each child the best possible experience of nursery education, meeting the needs of all children aged 2-4 years. We are proposing to change the session times slightly.

Morning session: 8:30am - 11:30am

*Afternoon session: 12:00pm - 3:00pm

Full day sessions: 9am -3pm

The children who attend the morning sessions or full days will be able to come to our **Breakfast Club from 7.45am, for £3.00 per day.**

The children who attend the afternoon sessions or full days will be able to stay for **After School Club until 5.45pm, for £7.50 per day.**

The proposed date for introducing this is 1st September 2019.

We are seeking the views of parents, governors and staff before a decision is made. Please make your views known below before Friday 24th May 2019.

The aim of this exercise is to increase pupil numbers in our school. This would help improve our school's finances whilst meeting the needs of the local community, including working parents, by offering longer hours of early years education. We understand that these changes may affect your ability to drop off/collect other children from primary schools. Please complete the 'comments' sections to express your views.

Once we have collated all the responses from parents/carers we will update you before any decisions are made regarding changes to the school day. Thank you for taking the time to complete the following questions.

Christine Branscombe,

Headteacher

Please return the following pages to school by 24th May 2019

(please circle)

1. What year does your child start school? 2019/ 2020/ 2021/ 2022
