Little Extras

School Fund

Throughout the year we would like to continue to provide children with some additional treats , including presents and parties at Christmas, school outings and seasonal resources. To enable us to do this we rely on voluntary donations from parents and carers.

A donation of £2 per week per child is sufficient to provide all of the above as well as daily fruit and snacks for children. Our school budget provided by the local authority does not cover these costs.

For ease, these payments can be made each term, by BACs into the bank account details below, by cheque or cash payment at the school office.

Thank you in advance for your support with this,

Christine Branscombe
Headteacher

Clothing

It will help your child to become more independent if they come into school in clothing they can manage themselves. We provide aprons for creative and water play and wellies and waterproofs for outdoor play. However, children will get messy or have accidents so please bring a change of clothes that can be left in school for these occasions.

Absence / Illness

We encourage regular attendance and good timekeeping. Please let us know if your child is not coming to school.

The telephone number is:- **01524 64132**

Please note that we have a **48 hour sickness policy**—children will need to stay at home for 48 hours after their last bout of sickness.

Please remember to let us know if someone different is collecting your child.

Library

We offer a 'help yourself' book lending library for adults, located in the entrance hall.

Children are encouraged to share 'take home books' and these can be changed with parents on a daily basis. Please let us know if your child has a particular interest as we change the books available on a regular basis.

Special Educational Needs

If your child has an additional need please speak to our Centre Special Educational Needs Co-Ordinator, **Anna Peachey**.

Children's individual needs are met in accordance with our Centre Policy. A targeted learning plan will be written to address the needs of children with additional needs. This will be reviewed regularly with parents. If you have any concerns please speak to a member of our team, we are always willing to listen to help your child have the best start in their journey into education.
