

Christmas Holidays

In order to help us adhere to COVID guidelines and to ensure we are able to undertake a deep clean and disinfect all of our resources, at the end of this term we will **close Appletree on Friday 18th December at 12 noon.**

This means there will be no afternoon session on this day, if your child normally stays for lunch they can still do so but, they must be collected by 12 noon.

We would like to remind you that school reopens on **Tuesday 5th January 2021.**

We hope you and your family have a lovely Christmas and a Happy New Year, we look forward to seeing you all in 2021!
