16<sup>th</sup> September 2020

Dear parents,

In recent days some of our staff team at Appletree Nursery School have developed symptoms associated with COVID 19 and are awaiting results from being tested. I'd like to reassure you that we currently do not have any positive cases of coronavirus within school.

To minimise the risk of having an outbreak in school, we have made the decision to close the Apple Blossoms Room, the "bubble" where we look after our 2-year olds. For safety, we cannot move staff between bubbles, therefore we will still remain open for our 3-year olds and will only reopen Apple Blossoms when test results are known and staff are well enough to return to work. I apologise for any inconvenience that this may cause you and thank you for your patience and understanding in the meantime.

We will keep you informed of when our school will reopen fully, by updating the school website.

Thank you for your support at this time. We look forward to seeing you and your children again soon.

Kind regards,

Christine Branscombe (Headteacher) & Valerie Pearson (Chair of Governors)
