

Reminders for returning to Appletree

- There are no hot lunches so packed lunches must be brought with your child if they are staying for lunch
- Please do not bring drinks bottles as we are providing water or milk for the children during snack and meal times
- If your child needs spare clothes, nappies and wipes please bring enough to last the whole week as this bag will remain at nursery until your child's last session of the week
- **Only one parent must promptly pick up and drop off at nursery**
- Follow the green apples (Appleblossom) or red apples (Nursery) to ensure your child is dropped off at the correct point
- Please sign the agreement and return to nursery

Stay safe,
Appletree Nursery
