MATHS

Activity 1 - Baking!

A wonderful way to explore numbers and measure is to bake and cook. Use these instructions to make bread rolls together.

Ingredients:

- 500 g plain flour
- 2 teaspoons baking powder (10ml)
- 1 teaspoon salt (5ml)
- 320 ml milk

Method:

- Preheat the oven to 200°C/ 180°C.
- Mix the dry ingredients. Stir in the milk, then mix until it forms a dough.
- Knead the dough.
- Shape the dough into a round disc about 2-3cm thick. Score the top with a cross.
- Bake for about 35 minutes.
- Remove the bread and tap on the bottom - if it sounds hollow, it's done. If not, leave for another 5 minutes. Enjoy!

Rosie's Walk

These activities support the skills your child would be working towards. They can be repeated as many times as your child wants to embed their knowledge and learning.
