1st July 2021

Dear Parents and Guardians,

The Governing Board met on Wednesday 30th June 2021 to further discuss After School Club provision from 3.00pm-4.30pm at Appletree Nursery School following their decision that they are unable to provide Tea Time Club from September.

At this meeting, Governors discussed in depth the sustainability of the After School Club from September 2021. The numbers on the registers for September are extremely low and on some days there is only one child in After School Club, however there needs to be two staff. Therefore, the Governing Board regrettably had to make the decision to terminate After School Club from September 2021 meaning that the school day will finish at 3pm and all children should have been collected by this time. It was discussed that this would be reviewed on a regular basis should there be increased demand from parents in the future.

We do hope you understand why this decision has had to be made and we hope it does not cause you a great deal of inconvenience.

Yours sincerely,

Mrs Cooper
Associate Headteacher
