

Graduation Pictures

The time has come for your child to graduate from Appletree Nursery School and onto Primary School.

We have a company attending nursery on Wednesday 30th June to take graduation pictures of all the children.

All children, regardless of the session, will get the opportunity to get their pictures taken.

If your child does not attend on a Wednesday, or will not be here next week, please contact the school office to discuss this if someone hasn't already contacted you.

Thank you,

Appletree Nursery School
