

Our newsletter

01.07.2022

This week in nursery we have been talking about how to make a seed grow. We now know it needs water and sunshine. We are growing our own beans in nursery and we are hoping to grow a huge beanstalk so we can climb to the top and meet the big, angry giant!

Star of the Week

Nelson

Nelson is a clever, kind and caring boy. He has loved learning about how seeds grow and was very eager to plant his bean. He checks it daily to see if it has grown.

Well done, Nelson!

Commonwealth games

There will be a letter sent out shortly about our commonwealth games topic which will be happening over the next few weeks. The children will be learning about the different nations and sports. They will be expected to come to nursery in their sportswear on 'event days'.

Graduation Ceremony

The graduation ceremony will take place for school leaver's parents only. We would love to invite you into nursery to say goodbye to the staff and their friends as they prepare to leave for Reception. This will take place in nursery between 1pm-1:30pm. Letters will follow shortly.

Goodbye

We also prepare to say goodbye to **Hannah**, green group keyworker and **Natalie**, red group keyworker who leave us at the end of July. We will miss them lots at Appletree Nursery and wish them both lots of luck of their new adventures.

Dates for your diary

Friday 15th July	-	School leavers only trip
Wednesday 20th July	-	Graduation ceremony
Thursday 21st July	-	Last day of term

Star of the Week

Anae

Anae is a superstar at nursery. She always has a big smile on her face and joins in during our group activities. She is also a keen tidier at tidy up time!

Well done, Anae!

Star of the Week

Sebastian D

Sebastian has been away on holiday for a few weeks. He has settled back into the nursery routine very well. We are so proud of the huge progress he has made.

Well done, Sebas!
