What have we been up to this week?

We have started our new story 'Supertato'. The children have enjoyed making their own superhero masks in the creative area. We have set up a shop in our roleplay area just like the shop in our story. We have been writing shopping lists too which we can use in our shop.

On Wednesday, we welcomed the mobile farm into nursery. The children were very welcoming and gentle to the animals that visited us. We saw a cow, a sheep, goats, chickens, ducks, rabbits and a pig! Have a look at our Facebook page to see the photos.

NOTICES

Sun cream – Please bring a named bottle of suncream to keep at nursery so that we can apply when needed.

Water bottles—All children should bring a named bottle of water to nursery.

Maths challenge

We have been learning our money and coins in maths. Can you explore the different coins in your house? Does the coin have a number on the back to tell you what it is?

Word of the week

Supermarket - a large shop selling foods and household goods. Our story 'Supertato' is set in the supermarket.
