### What have we been up to this week?

3-4 room - This week we have read our new story 'Handa's surprise'. The children have been looking at and exploring some new fruits such as avocados, mangos and kiwi fruits. They have loved using these in our shop and buying them with our pretend nursery money. We went into the forest this week and made a bird feeder to hang from the trees. We used a toilet roll tube which was covered in lard and bird seed.

2-3 room - Our story is 'The Very Hungry Caterpillar'. We have been printing with apples using red and green paint to make the caterpillar's head and body.

### NOTICES

**Graduation photos** – The photographer had car troubles this week so the graduation photos have been rescheduled to Wednesday 4th June.

**Cake Sale** - We are having a cake sale on Wednesday to raise money for our school leavers trip. Cakes/biscuit donations would be appreciated.
